Lifejacket Automatic Inflatable HI-Rise - 275N - Wipe Clean Ultrafit with harness - MED/SOLAS

Number: 3.20.0738

SPECIFICATIONS

Made in: Ireland

HS Code: 63072000

DESCRIPTION

Ultrafit horseshoe design 275 Newton double chamber inflatable life jacket. Ideal for heavy duty offshore use with foul weather clothing and heavy equipment.

SUPERIOR BENEFITS:

- o Designed to combine optimum safety and comfort
- o The shape of the bladder is tailored to the contours of the wearer to create a snug secure fit whilst giving supreme in-water performance
- o Stylized horseshoe design with offset shoulder straps to alleviate weight and pressure stress on neck and shoulders
- o The bladder has a unique hinged head pillow for optimal comfort and head support in water

KEY FEATURES:

- o Durable waterproof fabric
- o Durable wipe clean PVC reinforcement
- o Double shoulder straps for comfort and reduction of weight to the back neck.
- o Zip fastening cover
- o Stainless steel interlocking belt buckles
- o Adjustable waist belt
- o Detachable crutch strap
- o Integrated deck safety harness approved to EN ISO12401

INFLATABLE BLADDER:

- o Double chamber
- o Oral inflation tube on back chamber and Over pressure tube + relief valve on front chamber for manual inflation and deflation and also to relieve any excess pressure if both chambers are fired simultaneously
- o SOLAS approved retro-reflective tape on bladder
- o Red recovery grab strap on bladder marked "LIFT"
- o 2 x 60g CO2 gas cylinders
- o Automatic water-activated SOLAS S.O.S. light
- o 2 x Inflation systems
- o Marine grade whistle
- o Buddy line
