Crewsaver immersion suit child - MED/SOLAS

Number: 3.20.0024

SPECIFICATIONS

Measurements: 550 (l) x 430 (w) x 150 (h) mm

Made in: United Kingdom

HS Code: 63072000

DESCRIPTION

Crewsaver immersion suits are fully approved to the current SOLAS MED regulations. They are made from 5mm fire retardant neoprene to provide good insulation and resistance to oil, sunlight and seawater. Quick and easy to put on, each is supplied in its own carry bag with donning instructions included. All seams are glued and blind-stitched to ensure they are totally waterproof. Critical areas are taped for additional reinforcement and the foot sole is reinforced. The suit also provides thermal protection. The neoprene immersion suit should be used with an approved lifejacket.

FEATURES:

- Unpacked and donned in under 2 minutes
- 5mm 3 finger neoprene gloves, hood and boots
- 50mm nylon lifting strop harness with stainless steel d-ring
- Waterproof zip and med/solas approved reflective tape
- 5mm neoprene face flap and inside chin flap for dual protection
- Outer material neoprene withstands the impact of a jump into water from 4.5 m
- Fire retardant neoprene construction
- Prevents a typical wearer's core body temperature from dropping by more than 2°C after six hours in calm water of 0-2 °C

Chest 59 - 90 cm

Height 110 - 150 cm

Weight 20 - 50 kg
