Number: 6.91.0026

SPECIFICATIONS

Measurements: 310 (l) x 285 (w) x 75 (h) mm

Weight: 2,15 kg

Made in: United Kingdom

HS Code: 49011000

DESCRIPTION

The 3rd edition of our popular SOLAS Fire Training Manual meets the latest requirements and is suitable for use on all SOLAS vessels and larger non-SOLAS vessels. Our Fire Training Manual has been specifically prepared for the marine industry, is fully illustrated, and is clearly presented in loose leaf, across approx 321 pages in size A4.

This manual is considered by many to have become the international industry standard, and is used in commercial shipping fleets around the world. The 3rd edition (English), published in August 2017, provides a comprehensive update, incorporating the significant changes made to SOLAS-II, and now including extensive cross-referencing to the Consolidated SOLAS (2014, and later amendments to January 2016) and other IMO Codes.

Table of Contents - 3rd Edition, English:
Summary of SOLAS chapter II-2 & FSS Code
The Nature of Fire and Explosions; Principles of Fire Extinguishing
Fire Prevention; Fire Limiting; Escape
Fire Detection and Alarm
SOLAS Requirements: Water Pumps, Hydrants, Fixed Systems and Portable Equipment
Operation: Fixed Extinguishing Systems
Operation: Portable Fire Equipment
Organisation and Techniques
Fire Safety Operations for different types of vessels and cargoes
Equipment Inventory, to make the Manual specific to your Vessel
