## SPECIFICATIONS

Measurements: 310 (l) x 275 (w) x 58 (h) mm

Weight: 1,59 kg

Made in: United Kingdom

HS Code: 49011000

## DESCRIPTION

### User-Friendly SOLAS Training Manual:

The fourth edition of our popular SOLAS Training Manual meets the latest SOLAS 2021 requirements. Suitable for use on all SOLAS vessel type and larger non-SOLAS vessels. The Manual is an easy-to-read, user friendly document, presented in an A4, loose-leaf format. The main body describes equipment and procedures generically, and the final section allows the user to insert details applicable to a specific vessel, thus making each document unique and fully compliant with the cited regulations.

### Table of Contents - 4th Edition (2021, English):

- Emergency Response / Plans
- Personal Protective Equipment
- Survival Craft
- Launching Survival Craft
- Use of Survival Craft Equipment
- Radio Equipment
- Visual Distress Signals
- Line-Throwing Appliances
- Lifbuoy Equipment
- Man Overboard Recovery
- Survival Techniques
- Search and Rescue Operations
- Equipment Inventory, to make the Manual specific to your vessel
