Triple C Gas Detector

Number: 4.27.0185

SPECIFICATIONS

Measurements: 121 (l) x 70 (w) x 32 (h) mm

Weight: 0,22 kg

Made in: United Kingdom

HS Code: 90271010

DESCRIPTION

Marine Triple C Gas Detector- MED - H2S, CO, O2: Single plug-in electrochemical cell Combustible (LEL): Soldered infrared (IR)

3 years maintenance free

Works in completely inert (oxygen free) and Zone 0 (Flammable environments).

Approval: MED/SOLAS

Ingress Protection: IP68

Warranty: Full 3 years (1095 days continuous based on an average of 90 seconds/day of alarm condition).

No Charging needed: Cutting-edge infrared sensor technology means it's immune to sensor poisoning.

No Calibration, No Charging, No Costs

From Zone 0 to inert atmospheres - with the MED/SOLAS TRIPLE-C detector you're always good to go.

Innovative 3-year battery life and cutting-edge infrared technology removes the need to calibrate, meaning no unproductive maintenance breaks and no expensive sensor replacement.

This all-in-one solution guarantees compliance and reduces risk whilst saving time and money - all at the touch of a single button
