Code of safe working practices, 2015 Edition - Consolidated 2023 Edition

Number: 6.65.0011

SPECIFICATIONS

Made in: United Kingdom

HS Code: 49011000

DESCRIPTION

COSWP provides guidance on improving health and safety on board vessels and articulates how statutory obligations should be fulfilled.

Key features:

The Code details the regulatory framework for health and safety on board ship, safety management and statutory duties underlying the advice in the Code and the areas that should be covered when introducing a new recruit to the safety procedures on board.

It is a statutory requirement for the current edition of the Code to be carried on board all UK ships, other than fishing vessels and pleasure craft. The Code contains essential health and safety information and it must be made available to any seafarer on board the ship who requests it.
